RESPONSE TO NOTICE OF ALLOWANCE AND COMMENTS ON EXAMINER'S
REASONS FOR ALLOWANCE

In response to the Notice of Allowance mailed March 11, 2009, attached is a completed issue fee transmittal form PTOL-85b.

Interview Summary

The undersigned thanks Examiner Wu for the courtesies extended during the telephone communication of June 9, 2009. Examiner Wu acknowledged that the Notice of Allowability dated March 11, 2009 should have listed the allowed claims as "1-4, 6-15, 25 and 27," rather than "14, 6-15, 25 and 27." Also, Examiner Wu indicated that he would consider reference "AJ" from the PTO Form 1449 submitted with an IDS on January 14, 2004, and would consider the reference's copyright date of 2001. Applicants note that this reference had previously been considered and acknowledged by Examiner Ponikiewski on August 8, 2006, as indicated by the initialed PTO-1449 form returned with the Office Action of September 8, 2006.

Comments on Examiner's Reasons for Allowance

Applicants recognize that in accordance with M.P.E.P. § 1302.14, the Examiner's reasons for allowance need not set forth all of the details as to why the claims are allowed. In the above-referenced application, Applicants do not concede that the Examiner's stated reasons for allowance are the only reasons for which the claims are allowable. Applicants agree that the particular claim elements identified in the Examiner's reasons for allowance are not disclosed or suggested by the prior art of record, yet the claims are patentable for other reasons—including the inventive combination of all of the recited claim elements.
